- Provided a new sound system in the mall and sound enhancement equipment in the classrooms
- Provided funding for murals, benches, parking lot banners, and student artwork displayed in the school hallways
- Helped supply funding for landscaping and the volunteers needed to help beautify our campus
- Provided volunteers in the copy room, library, at registration and at numerous school events
- Awarded PTSA scholarships to student members
- Funded all equipment to bring back the student newspaper for Fall 09
- Funded Automatic External Defibrillators for the entire campus
